COAST GUARD GIFT TO SHRINE HOSPITAL

THE Interim Operation Unit of the Shrine Burns Institute, Boston Unit, recently received a donation of a Television set from the U. S. Coast Guard in recognition of the treatment given to the son of one of their shipmates.

The following letter accompanied the gift:

“Commanding Officer
U. S. Coast Guard Base
427 Commercial Street 1752
Boston, Massachusetts 02109 29 November 1965

To:

Shriners Hospital, Burns Institute
Boston Unit, Fruit Street
Boston, Massachusetts

Gentlemen:

The United States Coast Guard Base, Boston, donates this television set in the name of William J. Burdette to the Shriners Hospital, Burns Institute, Boston Unit at the Massachusetts General Hospital.

This gift is tendered in grateful appreciation for the excellent care rendered by medical personnel and provided for by the Shriners Burns Institute to William J. Burdette, the young son of one of our Shipmates.

It is hoped that this medium of entertainment will provide some joy to Master Burdette and those presently in his ward and will continue to provide happiness for other youngsters, who through unfortunate circumstances, will occupy these beds in the future.

Personnel of Coast Guard Base Boston desire that this television set be transferred to a Children's Ward at Shriners Burns Hospital upon completion of construction.

Very truly yours,

C. E. SHARP

Captain, U. S. Coast Guard
Commanding Officer”

ORCHIDS TO ALEPPO'S MEDICAL UNIT

WHEN THREE OR FOUR thousand Nobles gather for a Shrine Ceremonial, anything can happen and usually does. But if a Noble should need medical attention, our Doctors Staff and Medical Unit spring into action, but fast!

Aleppo's Doctors Staff and new Medical Unit received a fine accolade for fast action at our November 26th Ceremonial from a Noble who was stricken during the evening.

This Noble called the Recorder's office later to say that he became very ill at the Meeting, hemorrhaging from the nose and eyes. He said that he was very grateful to the Medical Corpsmen for rushing him to the Shrine First Aid Room where he received quick treatment by Dr. J. William Hite of the Aleppo Doctors Staff who was on duty at the time.

He voiced his sincere appreciation for the attention he received and said that he was grateful to these Nobles and expressed his deepest thanks for their fine treatment which he will never forget.

DR. JOHN D. CONSTABLE, Medical Assistant Surgeon of the Massachusetts General Hospital and the Shrine Burns Institute, Boston Unit, receiving a gift of a Television set from Chief Warrant Officer Julian Hatch representing the donor, the United States Coast Guard. This presentation was made at the Shrine's Interim Operation Unit in the M. G. H.

Burdette, Chief Warrant Officer Julian Hatch, U.S.C.G., and Recorder Harvey B. Leggee, Secretary of the Board of the Shrine Burns Institute, Boston Unit.

NOBLE SENATOR SALTONSTALL PRESENTS PLAQUE TO PAST IMPERIAL POTENTATE JUDGE WILSON

ON FRIDAY morning, December 17, 1965, Suffolk Probate Court in Boston opened with the presentation of a beautiful plaque to Judge Robert Gardiner Wilson, Jr. by Senator Saltonstall in recognition of the Silver Anniversary of Judge Wilson's appointment to the bench by Governor Saltonstall in December, 1940.

Laudatory remarks were made by Associate Judge John V. Mahoney, by Lt. Governor Elliot Richardson representing not only the Commonwealth but also the Trustees of the Massachusetts General Hospital with which the new Shrine Burns Institute is so closely affiliated, and by the Honorable John F. Collins, Mayor of Boston.

Potentate William A. Odell with members of his Aleppo Temple Divan, a delegation from the Second Platoon of our Arab Patrol and other Nobles, representatives from the Massachusetts General Hospital, and numerous friends joined with many members of the Massachusetts Bar in the reception to Judge Wilson.

MAY WE COUNT ON YOU?

Aleppo Temple, like every other fraternal body, must acquire a certain percentage of new members each year to maintain its membership.

The Grim Reaper can always be counted on to lower the membership. A number of Nobles also leave our ranks by way of Demits. All of them must be replaced before we can begin to increase our roll by a single member.

Every Noble of Aleppo Temple can render valuable assistance to his Temple by securing at least one petition each year. May we count on YOU?

A MESSAGE FROM THE POTENTATE

ALEPPO TEMPLE will usher in another year at its Annual Meeting Friday, January 21, 1966. As our present year draws to a close, your Illustrious Potentate looks back upon this year as one of great pleasure and satisfaction.

A review of our activities for the year shows we held four Ceremonials which were well attended.

The first social event was Shrine Night at the Ice Follies, February 18th, at the Boston Garden. On May 7th, the Annual Shrine Potentate's Ball at the Statler Hilton Hotel was attended by over one thousand Nobles and their Ladies. The All Masonic Night at the Boston Garden, June 5th, was attended by a capacity crowd of nearly 14,000 Masons and their families. Our six-day pilgrimage to the Imperial Council Session at Washington, D. C., July 11th to 16th, was a most enjoyable and successful trip. The eyes of Shrinedom at least were on Aleppo Temple as our Uniformed Units performed magnificently. On October 8th through 12th our Annual Shrine Circus sponsored by Aleppo Temple was held at the Boston Arena.

It is gratifying to report that we are in excellent condition financially, in great measure due to the support and experienced counsel of our Finance Committee.

During the past year we have created 577 new Nobles but we anticipate a slight loss in membership for 1965 caused by a large loss in the number of Nobles who were taken by the Black Camel during the past year and to Demits and Suspensions.

We had a Memorial Service in the Old South Church on December 5th honoring our beloved Nobles who died during 1965. The gratitude of all the Nobility

goes to our Chaplains who so magnificently brought comfort to those who lost Nobles who were near and dear to them.

My heart is full of overflowing with sincere thanks and appreciation, with a debt of gratitude to the members of the Divan, Past Potentates, Appointed Officers, Potentate's Representatives, all Uniformed and non-Uniformed Units, and to all the Nobility, for their encouragement and loyal support in making 1965 another successful year for Aleppo Temple.

My sincere appreciation and many thanks to Past Potentate and Treasurer Frank B. Ells for his assistance and help and to our Recorder, Noble Harvey B. Leggee, who with his knowledge and years of experience has been invaluable to me, and to Imperial Sir Robert Gardiner Wilson, Jr., for his valuable support in heading several of our outstanding events as General Chairman.

It has been a great pleasure serving as Potentate of Aleppo Temple and I am deeply grateful to the Nobility for this honor. My year as your Potentate has been filled with pleasant associations and happy memories which I shall always cherish.

To my successor, my sincere wish for a most successful and gratifying term of office.

May Allah bless you, each and every one, and may His Guiding Hand carry our wonderful Temple to glory with each successive year.

A happy and prosperous New Year to you all.

Sincerely yours in the Faith,

William A. Odell
Illustrious Potentate

MEMORIAL TO DEPARTED

TRIBUTE to those who have left our ranks is one of the traditions of Aleppo Temple. Each year a Memorial Service solemnly reflects on changes that have taken place during the preceding year when we remember name-by-name each of our nearly 400 Nobles who have slipped from our sight. Death invades our circle, often when we little suspect its imminence — taking the needed and useful among us, and leaving behind a sense of our human frailty and mission incomplete; and deep sorrowing among friends who have loved and lost awhile. The Spirit of the Shrine is ever an onward adventure, a never ending pilgrimage to the happy land where Allah awaits our arrival.

This year at the Old South Church in Boston on Sunday, December 5th, the Aleppo Temple Divan, headed by Illustrious Potentate William A. Odell and accompanied by the Past Potentates and the Aleppo Temple Chanters, participated in a deeply moving service in which Rev. Charles E. Pedersen, Rev. Arthur H. Melanson, Rev. Harold R. Bursey and Dr. Thomas S. Roy were heard. The Aleppo Temple Color Bearers and Guards erectly served; Noble Walter M. Smith sounded taps; David Bennett performed at the organ; and Carl R. MacKenney, Chief Rabban and Hubert N. Bernard, Jr., Assistant Rabban had a part in the Candle Service. The sermon, delivered by Dr. Thomas S. Roy, Chaplain of the Imperial Shrine, on "Death be not proud" — carried a penetrating message and was magnificently delivered.

Aleppo Temple, fourth largest of all Shrines in the United States (16,143) recorded passing of 380 Nobles from its rolls — among whom were Imperial Sir Edgar L. Turner of Wellesley Hills (Potentate 1958), 1st Ceremonial Master of the Imperial Shrine of North America; Illustrious Sir N. Russell Lynn, Medford (Potentate 1950); and Rev. Harry P. Folger, 2nd Chaplain of Aleppo. A further breach of the Imperial Shrine line of Officers was noted in the passing of Deputy Imperial Potentate Charles R. Merrill of Moslem Temple, Detroit, Michigan, which occurred just preceding this Memorial Service — a mute reminder of the uncertainty of life's continuity. Imperial Sir Merrill would have reached the pinnacle of Shrinedom next July when he would become Imperial Potentate of the Shrine of North America.

Each Noble contributes to the spirit and mission of life. We cannot slow up the inevitable onrush of the fleeting seconds of time which God has allotted to each of us; nor can we forestall the moment of transition to life's spiritual sequence — but such gatherings as the Annual Memorial Service do give us opportunity to honor with pride the "goodness" in the lives of others; the "greatness" of their endeavors for others; and give us an appreciation of what made the lives of these inspiring, useful and meaningful, so that before our journey ends, we too, may hopefully add something to the value of our own lives for our fellow man! To this end must we strive to life's end — and Allah be praised!

NOBLE ALVIN L. K. TUNSTALL HONORED

FEW MEN in Massachusetts Masonry have had a more distinguished record of service in all its branches than Noble Alvin L. K. Tunstall of Fairhaven — long time Secretary of the Shrine Club of Southeastern Massachusetts and for the past four years Adjutant of Aleppo Temple, who was feted at a Testimonial Dinner on December 14th at the Congregational Church in Fairhaven, attended by over 400 of his friends and associates in that area. Among those present were Thomas A. Booth, Grand Master-elect of the Most Worshipful Grand Lodge of Masons in Massachusetts; William A. Odell, Illustrious Potentate of Aleppo, Carl R. MacKenney, Chief Rabban, Harvey B. Leggee, Recorder of Aleppo Temple and Willard C. Lombard, 2nd Ceremonial Master — with Earle D. Wilson 33°, Past Commander-in-Chief of Old Colony Consistory acting as Toastmaster.

There were many distinguished Masons present and among those eulogizing the fine work by Noble Tunstall was Donald W. Vose 33°, Inner Guard of Aleppo Temple, who alluded to his being a Past Master, High Priest, Illustrious Master, Eminent Commander, Thrice Potent Master and Commander-in-Chief; and having been created a Sovereign Grand Inspector General 33°, Honorary Member of the Supreme Council at Cleveland, Ohio in 1965. On this occasion "Dutch", as he is familiarly called by his friends, was presented a solid bronze replica of "The Whalers" bookends. A well deserved tribute to an outstanding Man, Mason and Shriner!

The Shrine Club of Southeastern Massachusetts was chartered in 1927 and has a membership of 641. It is the oldest of Aleppo's eleven Shrine Clubs and the second largest in Massachusetts, trailing Merrimack Valley Shrine Club by about 59 members.

BURNED PUERTO RICO BOY RETURNS HOME

ONE of the first burned children to be treated at the Boston Unit of the Shriners Hospital Burns Institute, Jose Santiago of Puerto Rico, was recently returned to his home, a smiling, happy youngster, after his second visit for treatment.

Jose was flown here by the Shrine Club of Puerto Rico for treatment to his severely burned legs caused by an accident when he playfully kicked a supposedly harmless bazooka. He occupied one of the five beds of the Shrine Burns Institute in the Massachusetts General Hospital now being operated as an Interim Unit awaiting the building of our own Shrine Hospital for burned children to be located adjacent to the Massachusetts General Hospital.

To send the boy home with a happy Christmas smile, and a treat for any youngster, Noble Frederick A. Perkins, Jr., Chief of the Newton Fire Department and one of Aleppo's Ambassadors, offered transportation from the Hospital to Logan Airport in his Fire Chief's Car, with Jose sporting the Chief's big Fire Hat en route.

The above photo shows Jack Rogers, Pan American Representative, presenting Jose with his Jet ticket to Puerto Rico while the "send-off" party reflect Jose's happy, contagious smile. Left to right: Rogers, Jose, Miss Hope Cranska, Recreational Therapist at our Shrine Hospital, Miss Mary Bone, Shrine Hospital nurse, Recorder Harvey B. Leggee, Secretary of the Shrine Hospital Board, Chief Frederick A. Perkins, Jr., and C. Civetti, Aide to the Chief.

A REAL SPARK, "Chief" Jose Santiago on his arrival at Logan Airport en route to his home in Puerto Rico.

The trip from the Shrine Burns Institute at Massachusetts General Hospital was made a happy one for Jose through the assistance of Chief Perkins of Newton who cheerfully provided the transportation and the loan of the big white leather "Chief's" Helmet for the trip.

Jose is returning home in time to celebrate the Christmas Holidays after treatment at the Shriners Burns Institute.

BLOOD BANK

OUR NEW Boston Unit of the Burns Institute, Shriners Hospitals for Crippled Children, constantly requires blood transfusions for our little patients. This is an ever pressing need.

The Grand Lodge of Masons in Massachusetts has been most cooperative in this great work. Every Noble of Aleppo Temple, who by age is eligible, is therefore urged to make blood donations through his Blue Lodge.

SHRINE NIGHT AT THE ICE FOLLIES

REPEATING our successful official Shrine Nights of the past five years at the popular Shipstads & Johnson Ice Follies at the Boston Garden, Aleppo Temple has arranged again this year for "Shrine Night" at the Follies on Thursday, February 17, 1966. Special announcement and detailed information, with ticket application and schedule of special prices for the Nobility, will be mailed all members of Aleppo Temple. Come and wear your Fez.

1966 SHRINE CARD

NOBLES, YOUR 1966 SHRINE CARD WILL BE REQUIRED TO ATTEND ALEPPO'S ANNUAL MEETING AND CEREMONIAL IN THE COMMONWEALTH ARMORY, FRIDAY, JANUARY 21, 1966.

We suggest that you obtain yours BEFORE the day of the meeting to make sure it will be available for your admission to this ANNUAL ELECTION AND FULL FORM CEREMONIAL. Cards will also be available at the Ceremonial.

1965 SHRINE CIRCUS — DADDY LIST NO. 3

Names Listed in Order of Receipt Up to Time of Publication

THE NAMES of Nobles of Aleppo who previously joined the 1965 Shrine Circus Daddy Club, Lists No. 1 and No. 2 by purchasing five or more coupons to our 1965 Shrine Circus and returning the tickets with their check to admit less privileged orphans or handicapped children to our Circus have already been published. Printed below are the names of Nobles joining the Daddy Club No. 3.

The Circus Committee appeals to Nobles who have not already filed returns on their tickets for this year to join the Daddy Club now by returning unused Membership coupons and a check to cover at least five, if not all, of the tickets. By so doing, these Nobles will not only assist the Committee in promptly balancing the ticket account of this year's Circus, but also make up any outstanding difference between requests made for Daddy tickets again this year, and the supply available. An additional Daddy List will be printed in the next Shrine notice.

EAST-WEST SHRINE GAME

THE FOUNDER of the Shrine East-West All-Star Football Game, William M. Coffman, Islam Temple, has announced his retirement as managing director. His resignation was submitted to Islam Temple as part of his report on the 40th annual game. The game, played at Kezar Stadium, this year earned \$245,761.50, bringing to \$4,772,668 the total contributed to Shriners Hospitals for Crippled Children during the last 40 years. The Shrine's East-West

classic was the first All-Star game played by college seniors.

Before settling in San Francisco in 1906, Noble Coffman led a roving and exciting life. He was a ballad singer on New York's Bowery, a sheepherder in Nebraska and a fruit picker in California. The Football Writers Association voted him "Man of the Year" in 1947 and he has received many other honors. Noble Bill will serve the Shrine game in an advisory capacity and will continue his numerous other civic activities.

ALEPPO SUPPORTING DEMOLAY

IF there were no Youth — no boys or young men today — there would be no Masonry and no America of Tomorrow.

The America of tomorrow and the Masonry of tomorrow is the Youth of Today.

Young people are our future and we are theirs.

We older men are the boys of yesterday; when tomorrow comes the boys of today will step into and take over the positions that we now occupy.

Time is always marching on and as the procession of men, the George Washingtons, the Paul Reveres, and all the other Grand Masters of yesterday moved along to the Celestial Lodge above leaving their earthly stations and their earthly lodges here below to be filled by those who came after them, so will you move on and out and be replaced by the boys of today.

The better we make the youth of today the better we are making our America and our Masonry of tomorrow. We are building and shaping our own future and our own world of tomorrow by what we do for them.

This means the more of us who participate and the greater part we take in building, molding, and shaping them for our world of tomorrow the greater and the better that world will be. The better we make the Youth of Today the better and stronger we make our America and our Masonry of tomorrow.

So if we are interested in — or care about — our Country and our Masonry, if we want it to continue, then we had better pay some attention to our young men of today.

They will not fail us later if we do not fail them now. They will do their duty tomorrow if we do ours today, and that means now!

Our duty as men, Masons and Shriners is clear, crystal clear, and calls for action.

This is our challenge, our opportunity, and our responsibility. Never forget that when we are looking at a boy, we are looking at our America of tomorrow, and when our eyes rest upon a DeMolay kneeling at the altar of our Lodge with his hand on the Bible taking his vows, we are looking at our tomorrow. We can truly say, "There is my future; yes, the future of Masonry and my Country. The better and the stronger I make him, the better and stronger I make Masonry and my Country."

All we hope for, we know, rests upon what the man of today does for the boy of today who is the man of tomorrow.

"As he is now, so once was I

As I am now, so must he be;

I shall prepare him to follow me."

Realizing the truth of all this our Imperial Potentate Barney C. Collins, who as a boy was active in DeMolay and knows what it did for him, now calls upon all Shriners to get solidly behind the Order of DeMolay, giving even more active and vigorous support to this great cause.

Aleppo, always out in front in every worthy endeavor, can be counted upon to join wholeheartedly in making DeMolay a more dynamic force in the strengthening and building of our America and Masonry of tomorrow.

There is no finer way of exemplifying all of that for which our organization stands.

Let your light so shine before men that they may see your good works. Mathew 5:16

DURING THE THANKSGIVING week-end the Aleppo Clown Unit made a visit to the Crotchet Mountain Rehabilitation Center at Greenfield, New Hampshire, where they entertained the children and distributed toys, candy and balloons.

Mr. Barry Proctor, Director of the Hospital, had high praise for our Nobles who brought joy and comfort to the young hospital guests.

Left to right; rear: Nobles "Pat" Patterson, Tom Soucy, Jr., George Luther, Frank Hannon, Ernie Fiske, Clown Secretary, Bert Smith, Clown Director, and Phil Morrill. Front, kneeling: Nobles Dick Lavin, Tom Wilson and Phil Poole.

Nobles Patterson and Hannon are members of the Anah Temple Clown Unit and drove down to join our Clowns in the Hospital visitation.

Following their visit, the Clowns were royally entertained at the home of Noble John MacDonald.

A MESSAGE FROM THE POTENTATE

ANYONE who takes a high office in any organization certainly realizes that there is a tremendous responsibility attached to it, but because Aleppo Temple is one of the largest Temples in America, with over 16,000 members, the enormous task that we face in 1966 will not be underestimated by me. I fully realize that in order to fulfill my obligations as your Potentate that a program must be developed whereby not only the interest of our Shrine members is served, but also that our program presents such a vivid picture to all of us who are interested in Masonry that the Shrine itself stands out like a star in a constellation. So, this year I hope, with the help of my officers, to institute a program that will be interesting to every Shriner. We plan to have a Shrine Night with the Red Sox at Fenway Park. We plan to have a Shrine Football Game featuring the Patriots at Fenway Park. Also, we will have a Golf Tournament, as outlined elsewhere in this notice. Those of you who remember the Theatre Party at the Carousel in Framingham, and who have asked if we are going to have more theatre parties, the answer is yes. This year we will have a Shrine Luncheon, and we hope to have an outstanding speaker for this function. This year we shall have a Potentate's Ball, as announced in this notice. There will be Shrine Trips and there is a distinct possibility that we will have a Shrine Ceremonial outside the City of Boston. I plan to meet with the Shrine Clubs in our area, and to seek their guidance and counsel. I pledge to you that I will work with all Masonic bodies and with DeMolay, continuing the effort which has been carried on by the 43 Potentates who have preceded me, and that this great charitable work that we are engaged in will continue . . . not only continue, but I pledge a greater effort so that we shall be known by our work.

Following is a paragraph from a letter received at Aleppo Temple, which is typical of the many inquiries that we receive each day, each week, each year: "Dear Sir: Where the Shrine meets only a few times a year, it is a shame that so many members had to be turned away due to lack of seating capacity. Many came from a great distance, many were unable to find parking spaces. This can do more to discourage attendance than anything else. Since Aleppo is the fourth largest of the Temples in the country, it is a shame that we do not have our own Temple and parking area to take care of the members who wish to attend."

I know that we have heard this story many times. I know that many of you have asked many of the officers of Aleppo this same question, and so I say to you that one of the first things I shall do is to appoint a committee to research this problem and come back with recommendations to Aleppo Temple.

As we look around the City of Boston we see a new rebirth of spirit, which I can only compare to that which made this area independent of England

in the struggle to establish the colonies. We truthfully have a new Boston, and it is my intention and the intention of the elected officials of Aleppo Temple to make Aleppo Temple and Shrinedom a vital part of the new Boston. We as Shriners are making a major contribution because we are now engaged in a new project in the care and treatment of burned children. This new project calls for the building of three new Burns Hospitals, one of which will be located in Boston, adjacent to the Massachusetts General Hospital. Construction will be started this Spring and will bring to Boston a thirty-bed unit which will be operated in close association with the personnel of the Massachusetts General Hospital and the Harvard Medical School. Therefore, Boston, medical research and Aleppo Temple go hand in hand, not only in our search for progress, but in our determination to aid those who are too unfortunate to aid themselves.

This is another great step in our approach to charity, and fully realizing that the Potentate is not a magician who can accomplish the impossible, I realize that I need the help of all of the Officers and all of the members of Aleppo Temple if we are to continue to grow and expand our responsibility as citizens, as Masons, and as Shriners.

So I propose to you, the Nobles of Aleppo Temple, a new slogan for this coming year: Aleppo Clicks In '66.

Sincerely yours in the faith,

Carl R. MacKenney
Illustrrious Potentate

ONE of Aleppo's oldest Uniformed Units, the Aleppo Mounted Patrol. This colorful Patrol has mounted for Shrine Parades at Imperial Council Sessions throughout North America for many years.

KNOW YOUR UNIFORMED UNITS

DID YOU KNOW:

Activity with the Mounted Patrol is far more than marching with the uniformed units on the floor at each Ceremonial and their bringing in the rug and altar for the degree work? The Aleppo Mounted Patrol was organized in 1925 and has continued on over the years as one of the uniformed units of the Temple with particular emphasis on the riding of horses.

Our unit consists of a Captain, Lieutenant, four Sergeants, Aide-de-Camp, Treasurer, thirteen Troopers and seven Associate Members. One of our oldest associate members is Past Captain George C. Dunnells who joined the unit in 1926 and has remained active right up to the present.

Nobles of the Mounted Patrol contract for horses at the Andover Riding Academy, Route 114, North Andover and drill on the first Monday and third Friday of each month omitting the months of July and August.

As members of the Inter-National Shrine Horse Patrols which has forty-two member troops from Temples throughout North America we enter Parade Competition at the Imperial Council Session. Last year in Washington, D.C. the Aleppo Mounted Patrol was judged for sixth place. Judging in competition is marked on Horsemanship 40%, Horses 40%, Tack 10%, Uniforms 10%. In view of the fact that we hire our horses and compete against member troops who own and bring their own horses we of Aleppo are very proud of our good showing.

Any member of riding ability, who is willing to work, devote a little time and would like to broaden his friendships among Brother Nobles is welcome to apply for membership. Candidates are screened and voted upon by the troop.

The accompanying photograph was taken in 1964 and shows the late Robert S. Fifield (standing), Past Captain of Aleppo Mounted Patrol and a Past President of the Inter-National Shrine Horse Patrols. At the time of his passing he was the Inter-National Commandant.

Sunday, June 26th we are running a Class B Horse Show in North Andover and if we are successful in this, our first venture, I am sure it will be an annual affair. If you like horses and want to see a GOOD SHOW plan to be with us. Bring the family and see the Aleppo Mounted Patrol in action, Sunday, June 26th.

ALL-MASONIC FESTIVAL, BOSTON GARDEN, JUNE 4, 1966

THE 11TH Annual All-Masonic Festival sponsored by Aleppo Temple will be held this year in Boston Garden, Saturday, June 4. Again this year the several Masonic and Co-related organizations will be represented by Masonic Officials, Marching Units and Bands, and will be escorted by Aleppo Temple's Illustrious Potentate Carl R. MacKenney, Aleppo Officers, the Shrine Band and all Uniformed Units.

Following the pageantry of Masonic Organizations on the Boston Garden floor there will be an outstanding entertainment this year. The Professional entertainment of the evening which will follow the pageantry of Masonic Organizations will include, by popular demand, a return of the "Neapolitan Singers" who were so enthusiastically received by the 13,000 capacity house last year by resounding applause.

An added attraction this year is the "Five Fabulous Musical Wades", a multi-styled, jet-paced musical group that is sure to be a big hit at this All-Masonic Festival, recently billed in New York as "The Greatest Musical-acro-vocal-dance act of our Age!"

All tickets for this All-Masonic Festival — "Masonry on Parade", are issued through Blue Lodges ONLY. For tickets contact your Lodge Secretary at once. Don't miss this greatest of Masonic Pageants.

THE POPULAR and top-talented Neapolitan Quartet and Sextet who never fail to thrill with their vivacious enthusiasm and sense of vocal drama that makes their soaring operatics an exciting experience.

A SMASH HIT are the Five Wades who will hit Boston Garden, June 4 and entertain at the All-Masonic Festival sponsored by Aleppo Temple.

SHRINEDOM IN ACTION!

WHEN FOUR OR FIVE thousand Shriners of all ages meet for a Ceremonial emergencies can arise. It is heartening to know that in case a medical emergency does present itself, our Medical Staff of Professional Doctors and Surgeons and the Medical Corps of trained men are on the spot and work with the speed of a well trained Hospital Staff.

Further proof of the necessity and the reward for advanced planning and preparation is found in the following letter of appreciation received from one of our Nobles stricken at a recent Ceremonial.

"Aleppo Temple
Boston, Mass.

Nobles:

At the Aleppo Ceremonial I had the misfortune of being stricken with a heart attack. I was attended by the Aleppo Temple Medical Staff in the emergency room, who I believe saved my life.

They arranged to have me taken by ambulance to the Union Hospital in Lynn where I spent 11 days. Convalesced at home and now able to get out each day. I hope I shall be able to attend the next meeting.

My sincere thanks to the Aleppo Medical Staff and the Shrine Doctors in the emergency room at our Ceremonials.

Fraternally yours,
John T. Moore
Lynn, Mass. "

OUR NEW SECOND CEREMONIAL MASTER

EACH NEWLY ELECTED Illustrious Potentate of Aleppo when he assumes Office has the opportunity of appointing one of our Nobles to the Office of Second Ceremonial Master, which for many years has been the bottom rung on the "ladder" that may eventually lead to the Office of Illustrious Potentate of our Temple.

To select one of our 16,000 Nobles for this most important position, one who has the qualifications of a leader, who is a good Mason and a Noble Shriner at heart, is a task that takes considerable thought, conscientious determination and sound judgment.

Following his election to the Office of Illustrious Potentate last January, Carl R. MacKenney selected and appointed to this most important Office, Noble Raymond A. Phillips.

In announcing his appointment at the Annual Meeting, Potentate MacKenney said, "My appointment for Second Ceremonial Master is a man who is well known in Masonic and Shrine Circles. He is a Past Master of his lodge. He has held several appointed Offices in our Grand Lodge and is the present Grand Standard Bearer of the Grand Lodge of Masons in Massachusetts. He is a member of all York Rite Bodies, including Boston Commandery No. 2, of Knights Templar; a member of all Scottish Rite Bodies, including Massachusetts Consistory of Boston, and is at present an Officer of Giles F. Yates Council, Prince of Jerusalem.

He has held several appointive Offices in Aleppo Temple and is a former Captain of the Guard of our Temple Guards, having helped to organize this Unit in 1952. He is Past President of the North Shore Shrine Club and a former Director of the Shrine Officers Third Degree Team and served as Ceremonial Director for 2 years. He is a member of the Board of Governors of the Shrine Hospital Burns Institute, Boston Unit, and a Past Master Councilor of the Order of DeMolay.

He is a member of the board of several fraternal and business organizations and is present a Senior Executive and a member of the Board of Directors of the H. P. Hood and Sons Company.

It is a pleasure for me to appoint as your Second Ceremonial Master . . . Noble Raymond A. Phillips."

Noble Phillips attended Boston University College of Business Administration and he has a certificate in Production Engineering from Tufts University where he also is a Graduate of American Management Association, Management Development Course.

He was formerly with the General Electric Co. where he started as a Production Clerk and progressed through the rank of foreman to the position of Labor Relations Assistant. In 1944 he accepted a position with the H. P. Hood & Sons, Inc. where he started as Wage and Salary Administrator. He held several administrative positions and in 1956 was elected to the Senior Board of Executives. At the present time, as a Senior Executive in charge, has the responsibility for five divisions of the Company's activities, namely, Vehicle Division, Traffic Division, General Transportation, Ice Cream Refrigeration and Purchasing in each case functioning as General Manager.

He is a Director of the Lynn Masonic Temple Building Association and a member of the Board of Governors, New England Chapter Society of Automotive Engineers.

Noble Phillips is an active member of the Clifton Lutheran Church of Marblehead having held various Offices in the Congregation over the past 25 years and at present is a Past Master Councilor and first Representative DeMolay in Venitas Chapter, Order of DeMolay, in Swampscott and for 10 years served as "Dad Advisor" of the Chapter.

On June 1, 1936, Noble Phillips married Edna Marie Peterson, R. N. and they have two children, Raymond III, a member of Bethlehem Lodge, A.F. and A.M., who resides in Bethany, Connecticut with his wife and two children and Peter L. Phillips, a graduate student at U.C.L.A. in California. He will graduate this June.

- (2) \$250 if member has reached his 50th birthday but not his 55th birthday
- (3) \$200 if said member has reached his 55th birthday but not his 60th birthday
- (4) \$150 if said member is 60 years of age or over.

A Noble applying for Life Membership must submit evidence of his birth date to the Recorder.

A Life Member shall be exempt from further payment of annual dues and assessments by the Temple, other than Shrine Hospital assessments, but shall retain all the privileges of membership.

Section 7. Any Noble in good standing with current dues paid who shall have held membership in Aleppo Temple for 50 or more continuous years shall automatically become a Life Member.

The following proposed amendment to the By-laws of Aleppo Temple was presented and read at the January 21, 1966, Annual Business Meeting.

Bearing in mind possible proposal by the Commonwealth of Massachusetts to impose a Tax on Membership Fees and Dues, it may be desirable to amend our By-laws, Article VI, Section 1, regarding the Initiation Fees and Article VI, Section 3, regarding the Temple Annual Dues.

Therefore, in preparation for same, and in order to be able to take prompt and timely action, it is now moved to increase the Membership Fee by the amount of any such State Tax and also to revoke amendment which increased our current Annual Dues to \$11.00, taking such additional appropriate action as may seem necessary or advisable.

YESTERDAY'S YOUTH

A GOOD deal has been said about today's youth and his problems in a changing world. Not enough has been said about the great majority of young people who have made good in a big way and have been benefited by their impact with character building institutions during their adolescent years — such as the Church, YMCA, Scouting and DeMolay. Each have opened doorways to a more wholesome outlook, more useful habits and more stimulating goals. DeMolay is geared to the times to produce better leaders for tomorrow. It gives boys between 14-21 higher aspirations, better appreciation of values and a desire for clean living. Some three million DeMolays will be observing DeMolay Week in their hearts March 13-20th. We wonder how many of these have become Masons and how many among the next to seek admission into our ranks.

This great Youth Organization was founded in 1919 by Frank S. Land 33°, a Past Imperial Potentate. It was introduced to Massachusetts in 1922 by Melvin M. Johnson 33°. Steps were taken while Whitfield W. Johnson 33° was Grand Master in 1954 making it possible for the Masonic Fraternity to encourage and support this Organization. Willard P. Lombard 33°, Past Potentate of Aleppo, served as the Grand Master of the International Supreme Council 1961-2 and did much to align the Grand Lodge and Shrine Leaders across the country as a backup force for the development of the Order of DeMolay. A. Neill Osgood 33°, while Grand Master in 1963-5, got the movement off the ground by making financial

assistance available. During the last two years James A. Moller 32°, a former Scout Executive, has been a full time Executive Director of the DeMolay Foundation in Massachusetts — a unique position in that there are today those holding a similar position in only Indiana, Rhode Island and recently Iowa. Headquarters have been established at 73 Tremont Street, Room 550, Boston, Mass. to coordinate the 90 Chapters and 7,800 membership. Twenty-two of these Chapters report over a 100 members in each — the largest being in Haverhill and the oldest in Somerville. The Bay State News has come into existence; and a Deputy & Representative System has been developed in the thirty Masonic Districts in the State — with a lively program of athletics, training and ritualistic rivalry that is certain to build a better citizen and introduce a fraternal experience that will surely, in the future, do much for all branches of Masonry. Whitfield W. Johnson 33° has been Executive for DeMolay in Massachusetts since 1960. Yesterday's youth are our great hope for a better tomorrow. Whatever we can do for them 'today' will pay big dividends. Let's, all of us, do what we can to make the DeMolay Foundation a vehicle for reaching into all our communities with a worthwhile program for our growing-up youngsters — to give them an abiding respect for the home, for our country and for God. We shriners must do our share — for it is too great a privilege to miss. You are urged heartily to support DeMolay!

ALEPPO HONORED BY IMPERIAL COUNCIL

SEVERAL of Aleppo Temple Officers recently received appointments to important Imperial Council Committees, by Imperial Potentate Barney Collins.

Past Imperial Potentate Robert Gardiner Wilson, Jr., of Aleppo, and a member of the Board of Trustees of the Shriners Hospitals for Crippled Children, has been appointed as Chairman of the Hospital Rules and Regulations Committee and of the Budget Committee for the Shriners Hospitals for Crippled Children. He has also been appointed to serve on the Hospitals' Committee on Salary, Personnel, and Retirement. Wilson will also serve as member of the important committees on Insurance and Transactions of Imperial Officers of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine. These appointments were announced recently by Imperial Potentate Barney Collins of the International Order.

Past Potentate George B. Rowell of Aleppo, has been appointed to the important Wills, Bequests and Gifts Committee of the Shriners Hospitals for Crippled Children. This appointment was announced today by Barney Collins, Imperial Potentate of the Imperial Council, Ancient Arabic Order of the Nobles of the Mystic Shrine.

Imperial Potentate Barney Collins also announced the appointment of Aleppo's Treasurer, Past Potentate Frank B. Ellis to the important Imperial Recorder's Registration Committee of the Imperial Council, Ancient Arabic Order of the Nobles of the Mystic Shrine. Ellis has served on this committee registering the Council Representatives attending the Sessions for many years.

Recorder Harvey B. Leggee has been appointed to the Dispensations and Charters Committee, one of the four important Standing Committees of the Imperial Council.

This Committee which holds interim meetings on proposed new Temples meets at Imperial Council Sessions and has the duty of reporting to the Council their findings for or against the granting of Dispensations and Charters to newly proposed Temples.

Last year the new Sabbar Temple at Tucson, Arizona was Dispensated. This year the Committee will report on the proposal for a new Temple to be located at Fort Myers, Florida.

Noble Carl W. Trempf of Aleppo has been appointed to the important position as an Imperial Potentate's Aide. This was announced today by Barney W. Collins, Imperial Potentate of the Imperial Council, Ancient Arabic Order of the Nobles of the Mystic Shrine.

LOMBARDO'S BACK IN TOWN!

WITH THE "Sweetest Music this side of Heaven", Guy Lombardo and his Royal Canadians are returning to Boston, by popular demand for a repeat engagement at Aleppo's Annual Shrine Ball.

The internationally popular Lombardo who played to a capacity crowd at Aleppo's 1964 ball liked it so much he urged a repeat performance.

As the music world changed its views and turns from Jazz to Rhythm and intonation of sound, Lombardo's famous music again comes into its own, sweeter and swingier.

To match Lombardo's melodious music Illustrious Potentate Carl R. MacKenney has reserved the newly renovated and decorated Louis XIV Ballroom of the Somerset Hotel and Foyer for this favorite social occasion of Aleppo.

Accompanying the Royal Canadians will be the "Lombardo Twin Pianos", the voice of Kenny Gardner and the musical scores of Carmen Lombardo, composer of hit songs like "Seems Like Old Times", "Boo Hoo", and "Sweethearts on Parade".

Also Lebert Lombardo and his silver-toned trumpet; Guy's look-alike brother Victor Lombardo who plays the sweet-sax and clarinet, and the ever popular Cliff Grass.

All this and Heaven too, at the Shrine Ball, Tuesday, May 10.

You are urged to obtain your tickets early as the capacity of the ballroom is limited and this popular occasion is bound to be a sell-out. (See amount and purchasing coupon elsewhere in this issue.)

SHRINE MAPLE SUGAR BOWL FOOTBALL
GAME AUGUST 27, 1966

THE 13th Annual Shrine Football Game for the benefit of the Shrine Hospital Units located at Springfield, Massachusetts and Montreal, Quebec will be played at the Dartmouth Stadium, Hanover, New Hampshire.

This year's "Maple Sugar Bowl" game sponsored by Bektash Temple, Concord, New Hampshire, Cairo Temple, Rutland, Vermont and Mt. Sinai Temple, Montpelier, Vermont will be on Saturday, August 27, 1966.

The Head Coaches for this Annual Classic who have been appointed by the Game's Board of Governors are Ernest Gregorowicz of Winnicunnet High School, Hampton, New Hampshire and Emile "Bunny" George of Windsor, Vermont High School who will lead the two Shrine elevens representing New Hampshire and Vermont.

The players, all high school seniors, will assemble at Durham, New Hampshire (University of New Hampshire) and Northfield, Vermont (Norwich University) on Monday, August 15 for 10 days of intensive practice before converging here for the annual Football classic.

A Mammoth Street Parade will precede the Game. Kick-off time will be at 2:00 P.M. A spectacular half-time show will be presented by Shrine Units of all Temples.

The 1965 game which was won by the New Hampshire Shrine Team 20-13, established a new record with some \$22,000 for the two local Shrine Hospitals located in Springfield, Mass. and Montreal, Quebec.

The Board of Governors of this annual football classic have received word from Imperial Potentate Orville F. Rush that he intends to be present for this 13th Annual Shrine Maple Sugar Bowl Game on Saturday, August 27th.

It is expected that the presence of the Imperial Potentate will attract a larger number of Nobles than usual for this year's game.

General admission tickets for the game are \$2.00 each, Reserved seats \$3.50.

Tickets may be obtained by sending check or money order to:

SHRINE MAPLE SUGAR GAME, P. O. BOX 1066, HANOVER, NEW HAMPSHIRE 03755.

INFORMATION FOR OUR SENIOR NOBLES
SOCIAL SECURITY CHANGES

Many changes have taken place in the social security laws within the past year, that might be of interest to some of our Senior Nobles. Briefly, the major changes have been:

1. Payment to widows at age 60 (formerly they were not paid until age 62.)
2. More earnings are permitted while receiving social security benefits. Payments for all months will now be made if yearly earnings do not exceed \$1,500 (formerly \$1,200). Also, payment for any month earnings do not exceed \$125 (formerly \$100). Some payments may be due even if earnings exceed \$1,500.
3. Payments are made to or on behalf of students in full-time school attendance. These are made when the parent is retired or deceased.

For more information on any of the above points or anything concerning social security, call or visit your local office. (It's listed under U.S. Government in your telephone book.)

WELCOME NEW NOBLES!

WE WELCOME the 445 new Nobles who braved the "Hot Sands" and joined Aleppo Temple at our May 20th Ceremonial and became full fledged Nobles of the Mystic Shrine.

Shrinedom is an institution composed of good men, dedicated to high purpose. Shriners have traveled the hazardous desert of life and have found their oasis of opportunity. The Shriner is ready to serve his fellow-man and is challenged by the good qualities within him, and the many needs without. While the Shrine does provide fun and recreation to relax the tensions of life, a Shriner is a Noble man who has built and continues to build an enduring mansion in Masonic achievement.

Next to his home, the place where a man can be most natural is in the Shrine. There he can form lasting friendships, enjoy lavish entertainment, participate in its pageantry by joining one of the Uniformed Units, meet regularly with other Nobles in good fellowship at our Shrine Club meetings, exercise those traits that make men Noble and Lovable; and best of all, derive the satisfaction that belongs only to the Shriner—the knowledge of being a supporter of the "World's Greatest Philanthropy"—the Shriners Hospitals for Crippled and Burned Children.

FRIENDSHIP!

FRIENDSHIP is the greatest asset in the World. Wealth, Success and all the Honors that we can obtain do not compare with the joy and pride of having one good loyal friend.

HAPPINESS!

PLEASURE is something that we take out of this Life, but HAPPINESS is something we share!

LET YOUR LIGHT SO SHINE!

THE IMPERIAL POTENTATE of the Shrine of North America said he is hoping for an increase in membership, adding, "If we are to carry out our plans for helping crippled children, we need an ever-increasing membership and we are striving for that goal."

Revealing the plans to reach the membership goal, he has also strengthened the public relations and Masonic relations committees, adding, "Too long we have hidden our light under a bushel. We have too long been coy in telling the greatest story that is being told in our time, that of charitable works."

"My plea has been for us to strengthen what we have and enlarge on the policies that have been formulated in the past," he emphasized.

In addition to continuing to help crippled children, Rush told of work on our three Shriners Burns Institutes—"the first in the world specifically designed and built to treat the burns of children" which is going ahead at full speed.

"The rights, beliefs and integrity of the individual are the strength of our nation," said the Imperial Potentate. "A strong nation will never be attacked," he added, with the admonition that this nation "must be strong in integrity."

"The Masonic fraternity stands for the freedom, rights and dignity of the individual and is not based on one world or on mediocrity," Rush said. "Its greatest contribution is in leadership that can bring government back to the grass roots and the people. The desire of Masonry is to preserve individual integrity and to return to the faith of our fathers," he added.

"Masonry is a threat to the heirs of Kruschew," he continued, pointing out, "No Communist can be a Mason, and no Mason can be a Communist."

"The fraternity's belief is in the freedom of mankind to govern themselves at the local level. This is the bulwark of America today."

THE CLIQUE

OCCASIONALLY word reaches us that Shrine Temples are run by cliques and upon investigation we find that this is a fact. Also we find that the clique is composed of the hard working, faithful Nobles who attend all the meetings, who do not mind accepting appointments on committees and who are willing to give freely of their time, talents, and oftentimes their resources, in the work of the Shrine. They are sincere in their belief that the more one puts into Shrine work the more one can get out of it.

As a rule there is no question about the enthusiasm, the responsibility, and the efforts of the members of the clique and certainly they are of inestimable value to the Temple. It is therefore recommended and suggested that more of the Nobility join the clique — and it is not at all difficult to do. In fact, it is very easy.

You begin by . . .

Attending meetings of the Temple regularly

Taking a more active interest in Temple activities

Making helpful, constructive suggestions

Accepting responsibilities to work with Uniformed Units

Serving on committees

Show a continual and constructive interest in all Temple affairs and before you realize it you are knee-deep in Shrine activities, enjoying yourself and your active membership more fully.

You will find yourself a member of the clique and you will be surprised to know how anxious the other members of the clique are to have you associated in the work with them. It is an easy matter to join the clique in your Temple and it is suggested that you do so.

WHEN A CITY MAYOR makes an appointment, it is accepted as an established practice. But, when a Potentate appoints a Mayor, it's big news, especially so in the case of the recent appointment of Monte G. Basbas, Mayor of Newton, who was appointed Potentate's Ambassador by Illustrious Potentate Carl R. MacKenney.

Photo shows Noble Basbas accepting the appointment and his Ambassador Fez from the Illustrious Potentate while Recorder Harvey B. Leggee and Ambassador Frederick A. Perkins, Jr., Newton Fire Chief, smile approval. Presentation ceremonies took place in Mayor Basbas' office at the Newton City Hall.

OUR PLYMOUTH CEREMONIAL

By
Robert L. Graham, President
South Shore Shrine Club

THE SOUTH SHORE SHRINE CLUB, in an effort to assist Aleppo Temple to promote Shrine-dom in Eastern Massachusetts, is proud to sponsor a Full Ceremonial in Plymouth, Mass.

Our Club members feel that the entire South Shore area will prove very beneficial in securing new members for our Shrine.

The Town of Plymouth is a most ideal location for this summer-fall Ceremonial of Aleppo Temple since it will enable the Nobles of Aleppo to take advantage of a visit to National Shrines and many forms of promotion on a national level.

"Plimouth Plantation", the replica of the Mayflower, historical sights, etc. are all promoted on a national level, with many interested visitors and local residents participating. Plymouth is a Masonic town, with adjoining towns and areas very masonically oriented.

This Full-Form Ceremonial and Parade, Saturday, August 20, will include all Uniformed Units and Officers of the Temple as well as Officers of Shrine Clubs and will do much to enhance the image of the Shrine and Aleppo Temple to residents of the Southeastern area and visitors alike. Local Masonic bodies and co-related Organizations welcome the opportunity and have expressed a sincere willingness to take an part in this undertaking.

This well planned Ceremonial will in effect create added interest from adjacent Shrine Clubs, located on Cape Cod; Southeastern Massachusetts (New Bedford) and King Philip, (Attleboro). By bringing the Shrine to Plymouth genuine interest in Shrine activities will be generated in the whole Southeastern section of Aleppo's jurisdiction.

The Sponsor of this Ceremonial, the South Shore Shrine Club, in an attempt to grow in numbers welcomes this opportunity to obtain recognition and participation from Nobles unaware of a Shrine Club in their area.

DISPENSATION GRANTED to 169th TEMPLE

AT the Annual Imperial Council Session of the Shrine held in San Francisco in July, this Legislative Body granted a dispensation thus forming the 169th Temple in the Shrine. The Ft. Myers, Florida, Temple will be known as ARABA.

Araba Temple will be composed of members of 125 Shrine Temples throughout North America. Many of them are past leaders of their Temples. Araba Temple will be located in Lee, Charlotte, Collier, Hendry, and Glades Counties of Florida where it will have exclusive jurisdiction. Located in Ft. Myers -- 140 miles from Mahi Temple in Miami and 135 miles from Egypt Temple in Tampa, Araba Temple will allow Shriners in its area to be active in Temple affairs without driving great distances to Miami or Tampa. The area has 11 Blue Lodges, and complete York and Scottish Rite bodies, so there will be ample Masonic back-up for the new Temple.

The future for Araba Temple looks great! The five counties that will comprise its jurisdiction are listed among the fifty top counties in the country in population increase.

IMPERIAL SIR ORVILLE F. RUSH

ELECTED IMPERIAL POTENTATE

AT the recent Imperial Council Session of the Shrine, held in San Francisco, California, July 5-8, Imperial Sir Orville Findley Rush of Kena Temple, Alexandria, Virginia, was elected as Imperial Potentate of the Shrine of North America. A business executive and lawyer, with principal offices in Washington, D. C., he resides on his estate "Linganore" near McLean, Virginia.

Immediately after his election, a pageant in honor of Imperial Sir Rush was presented by Kena Temple of Alexandria, Virginia, of which he is senior Past Potentate. With him on the platform were his wife, the former Mary Wren of Tupelo, Mississippi, and his seven children, Dr. Orville F. Rush, Jr., Frank A., Robert L., Penny, Patty, Pamela and Kingsley P. Mr. Rush is a native of Bessemer, Alabama, and narrator of the pageant was Bessemer Mayor Jesse Lanier, who is also Potentate of Zamora Temple, Birmingham. Several other dignitaries participated in the pageant.

The new Imperial Potentate was installed at the Friday morning, July 8th, Session of the Imperial Council. He will serve through next year's Shrine convention, which will be held in Washington, D. C., the week of July 9, 1967.

The election of the new Imperial Potentate of the Shriners culminates a most remarkable career of both public and private service. He has been continuously engaged in organizational activities since he was a Cub Scout at age of 8. Graduating to the Boy Scouts, he attained the Eagle rank and, at the age of 15, achieved a unique distinction when he was named editor of the Besser Advertiser, the City's only newspaper at that time, being cited as the youngest city newspaper editor in the United States.

But this was only the beginning. At Bessemer High School, he was elected President of the Freshman, Sophomore, Junior and Senior Classes, was editor in chief of both the school newspaper and year book, made straight A's for four years, thereby becoming valedictorian, and was active in athletics. It followed that he was acclaimed the outstanding student of his school. While in high school, he was the Bessemer correspondent for the Birmingham Age Herald.

Mr. Rush continued his journalistic activities at the University of Alabama. He was elected editor in chief of the University newspaper, was associate editor of both the year book and the humor magazine, and was student editor of the Law Journal. For a period, he also edited the Alumni News. He achieved the University's highest honor when he was elected president of the student body and, as in high school, he was acclaimed as the outstanding student. He was listed in the University's Hall of Fame and in Who's Who in American Colleges and Universities. In pursuing his education in liberal arts, law and graduate law, he also attended the University of Mississippi, George Washington University and Georgetown University.

After receiving his LL.B. degree and being admitted to the Bar in 1933, Mr. Rush became a lawyer for the Public Works Administration in Washington, D. C., later being transferred to Montgomery, Alabama. In 1935, he became advisor and counsel to Governor Bibb Graves of Alabama and was named his personal representative in Washington. He served on State Commissions and Boards and authored considerable legislation.

Mr. Rush has been personal representative in Washington of several Governors of Alabama and has also represented various public bodies and private corporations. He is an officer and director of several internationally prominent business concerns and trade associations and has business interests in various sections of the United States.

The new Imperial Potentate has been the titular head of numerous civic, educational, fraternal, religious and philanthropic organizations and has been the chairman of various fund raising drives. He has received many citations for public service and recently was awarded an LL.D. degree by Olivet College, Olivet, Michigan. He is widely known as a public speaker and has held various honor positions in the Methodist Church, including Chairman of the Official Board.

As Imperial Potentate, Mr. Rush will also serve as Chairman of the Board of Directors of the Shriners Hospitals for Burned and Crippled Children. During the year he will travel all over the world, making visitations to Shrine Temples and Clubs and to Shrine athletic contests and other special events.

WHAT MAKES A CEREMONIAL?

ONE of the vital parts of the Shrine Ceremonial is the so-called "Second Section" work for which our younger and active Candidates are fortunate to be selected and to take an active part in our Ceremonials.

This particular activity, which is created and activated by our Degree Staff of fifty-four Nobles is ably conducted by the Temple Director, J. William Garcia. They seem to enjoy their work fully as much as their "charges", the "Working Candidates"! But . . . how many of our Nobility know what is behind this one hour of fast and fantastic activity produced for each of our Ceremonials . . . and how many hours of advance planning, work, preparation and construction of equipment are required to bring about this "Happy Hour" staged for the edification of the Nobility and the education of Candidates?

The "Work Shop" and meeting place of the Staff is located on the second floor of a building at 1313 Boylston Street, Boston. Here regular meetings are held by the Staff each Friday night and some Sunday mornings for the creation, study and actual building of the equipment and contraptions the Nobility see being used in the Second Section work at Ceremonials. Each new stunt must be tested for many hours to be judged if it will be effective and entertaining.

In support of their work for the Temple and to assist them in constructing some of their many props and stunts, the Illustrious Potentate, Carl R. MacKenney, recently paid them (the Degree Staff) a visit at one of their Sunday morning meetings and

presented them with a DeWalt 10" Radial Saw, a deluxe model with multiple uses.

At the time of this presentation Director Garcia was ill but was ably represented by his Assistant Director, Peter Bass, Sr.

NEW EQUIPMENT being accepted for the Degree Staff by Assistant Director Peter Bass, Sr. Left to Right: John Cullen, Potentate's Personal Aide; Gen. Raymond A. Wilkinson, Chief of Staff; Hubert N. Bernard, Jr., Chief Rabban; Illustrious Potentate Carl R. MacKenney; Treasurer Frank B. Ells, P.P.; Recorder Harvey B. Leggee and Assistant Director Peter Bass, Sr.

MASSACHUSETTS GIRL JOINS SHRINE BURNS HOSPITAL, GALVESTON UNIT AS NURSE

A SMALL VOICE calls "I wanta drink!" and a registered nurse in a pastel pink uniform immediately goes to the child's bedside, holding a glass and straw for the young burn victim in providing the extensive bedside care burn patients require.

This is just one of hundreds of kindnesses Margaret Gregory and other nurses at the Shriners Burns Institute at Galveston, Texas, perform daily.

Margaret, a tall, attractive brunette, exemplifies the nursing staff of this \$3 million 30 bed unit, the first Shriners Burns Institute dedicated to patient care, research and teaching of burns therapy.

A native of Burlington, Massachusetts, Margaret entered Simmons College in Boston upon graduation from Burlington High School and in June, 1965, received her Bachelor of Science degree in nursing.

Before coming to the Burns Institute, Margaret was employed by the International Grenfell Mission, St. Anthony, Newfoundland. This small hospital, originally founded by English medical missionary Sir Wilfred Grenfell, is supported by private citizens in the United States and Canada.

"I chose to serve at the Grenfell Mission," Margaret says, "because it was a small hospital with a small staff and was a good place to get a well rounded background of experience in all phases of nursing."

Margaret became interested in pediatrics while a nursing student. She learned of the Shriners Burns Institute's need for nurses through the placement office of Simmons College which had been provided a reprint of an article written by Dr. Curtis P. Artz, the first Shrine professor of surgery.

"Though my interest was in working with children," Margaret says, "I also wanted to work through a

team approach in providing nursing care to children.

"I wanted to work in a progressive, new hospital where change and new ideas in treatment, plus individual initiative, were encouraged.

"At first," Margaret recalls, "I wondered if this job would narrow my experience to a small, restricted area through working exclusively in burns. I quickly learned acute burns are one of the most extensive injuries a person can experience, and acute burns require a wide range of knowledge, experience and nursing care."

Nursing at the Shriners Burns Institute is particularly challenging as it requires meeting both the physical and psychological needs of patients and their families.

"Our work with children requires considerable patience," says Margaret, "for burns are slow to heal. But, the job is most rewarding, especially in seeing the progress these children make as they respond to treatment and recover from such painful and severe injury.

"One of the more rewarding facets of our work is that we nurse both the acutely burned child and reconstructive patients. We have the opportunity to follow up on a patient's care through the critical stages of acute burn treatment and the many readmissions for re-constructive surgery until the child is discharged and can lead a normal and active life," Margaret adds.

In addition to good working conditions and an opportunity to be a part of the progress being made in burn treatment and therapy, the location of the Shriners Burns Institute affords numerous opportunities for year 'round relaxation on area beaches, shopping trips to nearby Houston and frequent visits to the Astrodome and NASA.

REPORT OF OUR ANNUAL SHRINE CIRCUS

THE 23RD annual Shrine Circus sponsored by Aleppo Temple this year featured Spring sponsorship of the world famous mammoth Ringling Bros. & Barnum & Bailey production at the Boston Garden for 19 performances. We are pleased to report that due to the loyal cooperation and support of so many Nobles and friends the results were most gratifying. In fact, to really witness the complete production once in its entirety it was almost necessary to see it twice! We are hopeful that the total of returns still coming in, welcome as they are, will assure record results.

Officers and uniformed units of the Temple on parade from Copley Square to the Garden provided a colorful opening feature for official Shrine Night on Saturday, May 21.

Thousands of less-privileged children from no less than 75 varied agencies attended morning and afternoon special performances on Saturday, May 21 as YOUR guests or guests of the general public who joined our unselfish endeavor. Admission and seating of these groups was greatly aided by members of our Temple Guard, together with Nobles Frank Ells, Bill Shannon, Henry Markow and Charlie Woodman. Our unit of Aleppo clowns really had a field day in their chosen field.

Your Chairman is again profoundly grateful for the continued generous support evidenced by so many of our Nobles. Sponsorship and operation of a Shrine Circus is a real job. Invitations issued early this Spring to over 100 agencies and institutions for thousands of children to be guests of our Daddy Club, with assignment of individual groups not only to definite performances but to reserved seat sections on arrival, resulted in capacity audiences.

We are justly proud of our Circus. It is the very spirit of the Shrine at its best. For Circus Day always opens a clean and wholesome world of happy laughter and excitement, and thrills, and wonder for the young at heart. Down through the years the very word "Shriner" has become synonymous with pageantry, and happiness and smiles. No child who has ever been thrilled at a Shrine Circus as the warmly welcomed guest of Aleppo Temple and our friends ever forgets the man in the red fez. Whatever his race or creed.

We truly wish every Noble could share the privilege, and especially the keen pleasure, of reading the kindly and grateful sentiments in scores of letters received. Dorchester House of the Columbian Point Centre writes: "On behalf of the 96 children and escorts who attended your Circus on Sat., May 21, — may I extend sincere appreciation to you and all members of Aleppo . . . It was something they could not have seen if your group had not provided the tickets. Bette West, Social Worker." The Cam-

bridge Economic Opportunity Committee wrote: "On behalf of the children of the Cambridge Head Start Program and their escorts who enjoyed the Circus on Sat. I should like to thank the members of Aleppo Shrine Temple who made this possible. I assure you that of the many and varied aspects of our program which is designed to enrich the lives of the children of economically deprived families, this experience ranks in our opinion as one of the most valuable and rewarding, and will be long remembered by the children themselves as one of the most enjoyable. J. C. Flynn, Director." CHILD DEVELOPMENT PROGRAM. The Youth Activities Bureau of Boston wrote: "We wish to express our sincere thanks. You have brightened the hearts of children who otherwise would not have had the opportunity. It is people like you and your organization who make the world a better one to live in." The Minister of Visitation & Social Action in the First Baptist Church of Malden wrote: "Our children were thrilled. Some of them have expressed their thanks in the letters enclosed. Most of our children are from low income families and for them it was a wonderful opportunity. It was the first circus many of them had ever attended. Your kindness brought much happiness to many children." The Jewish Family & Children's Service wrote: "We wish to thank the Shriners for the wonderful time the children had at the Circus. We deeply appreciate your making available this pleasurable experience." Nazareth Child Care Centre wrote: "To each and every member of Aleppo Temple — a big thank you for being so kind as to invite our children at Nazareth on May 21st. A day at the Circus is a big day in the life of any child and its joys are multiplied when an underprivileged child is the recipient of such joy. — You may be assured of special remembrance in the prayers of the Sisters and children of Nazareth for each and everyone of you who gave them this opportunity for such a grand outing. May God love, bless and remember you for your kindness to us."

So also has it been an experience to read the many responses from Nobles of Aleppo Temple as a study in human nature. We hear from wonderful Nobles, many of whom are reaching the sunset hours of a long life journey. We read of financial stress, lingering illness, or sudden misfortune, — but almost always coupled with courage, unselfish thought of others, love of American childhood, and a loyal pride in the Shrine. A few typical letters from our Nobility, with signature initials altered to protect identity, are appended to this report. One is proud to be a Shriner.

Yours with and in the Faith,

Robert Gardiner Wilson Jr.
Chairman

Enclosed find check for \$12. My wife and I are flying to Greece on May 19 for a summer vacation. P.C.

Sorry Noble. Too old to sell tickets but here's 4 bucks to help a little. C.D.E.

I am 71 years old and I surely wish I was able to go to the Shrine Circus. As I cannot attend I am enclosing check for \$12 with full book of tickets. There is no other way I could bring so much fun for 16 children.

K.A.J., Niagara Falls, N. Y.

Enclosing check for \$12 covering the 8 Shrine Circus tickets. I am a long way from Boston. M.J.M., Sarasota, Fla.

Please excuse writing. I am going blind. (\$15 enclosed.)

A check for \$5 for the cause. Am now retired and ill. Z.H.W., Denver, Colo.

I am sorry to return the tickets, but I am planning to go to San Francisco this year. T.H.A.

One more year has passed. On July 7 I will be 92 years old. I and my wife live on S. S. Excuse me that I have to send tickets back. W.A.H., Fla.

Sorry I can't send check this year, but I just returned home from the hospital. Hope to help out next year. H.F.E.

I took tickets from Kora Shrine.

As I am obligated to help the Blue Ridge Shrine Club here in Virginia I will be unable to do anything for Aleppo. N.P.

Enclosed find check for \$5 to help your good and wonderful cause. In years gone by I have always sent you a check for the book, but now I have to spread out a little better. C.D.M.

As I am retired with a small pension and S.S. I don't feel I can purchase the 8 coupons but I am only too happy to be able to help a little to make some youngster happy so I am enclosing a check for \$5. Much success in our endeavors. C.T.P.

Enclosed check for \$8 for as many kids as it will pay for. I can't attend myself. Too far away and costs too much. I'd like to pay for them all but really can't afford to do so. H.G., Phoenix, Ariz.

As it is impossible for me to sell tickets for the Circus I have given them away and enclose check for \$12. Hope some kids and also their grown-ups can be made happy and enjoy the fun. I regret I can't be with you. Although 85 years old I'm still a kid at heart. M.C.J.

Wish this was more but I have not worked for over 4 years and 2 years ago had two very serious operations on my legs. M.M.

I am returning the book of tickets and for the first time find myself unable to pay for the entire book. However, I enclose \$4 which will allow 8 youngsters to have a pleasant afternoon. K.E.

Check enclosed for 2 tickets. Wish I could afford more. D.E.L.

Sorry — cannot give like I used to. Too dam old and retired. This will help a few children. A.H.J.

Enclosed find check for \$25. I am keeping the 8 tickets, but I am sending 9 extra dollars so some other children may have the pleasure of seeing the show. All good wishes in this one of the Aleppo Temple's worthiest enterprises. A.H.A.

I feel unable to underwrite more than enough for the admission of 2 children as per enclosed check. This I do in memory of a son who perished by drowning many years ago in Nantucket. N.W.E.

Enclosed find coupon book. I am sorry this year is the first time I can't take any. I have had great expense and see more ahead. B.B.M.

Heavy schedule does not permit me to accept any tickets for myself and family this year. But hoping others can do so with enclosed check for \$8. S.A.H.

I'm under pressing financial obligations and cannot handle the enclosed book. I feel terrible and am extremely sorry. C.P.G.

Sorry enclosed check can't be more but since I have been in the hospital for over a month and expect to be here for at least another 4 to 6 weeks, the enclosed is all I can send at this time. A.T.A.

Enclosed is circus book and a \$5 bill. Due to the fact I will be out of town on the circus date, use the \$5 for the kitty. W.E.T.

Sorry, but I have been in Fla. all winter. Have just discovered these tickets in mail which accumulated while I was away. (No check.) E.L.C.

I am permanently residing in Fla. now. However, I am enclosing check for \$5 as my contribution. H.A.H.

I can't dispose of any circus tickets down here, but I have taken half of them myself for which I enclose check for \$6. S.L.D.

1966 SHRINE CIRCUS — DADDY LIST NO. 3

Names Listed in Order of Receipt Up to Time of Publication

THE NAMES of Nobles of Aleppo Temple who previously joined the Shrine Circus Daddy Club by purchasing four or more coupons to our 1966 Shrine Circus and returning the tickets with their check to admit less privileged orphans or handicapped children to our Circus have already been published. Printed below are the names of Nobles joining the Daddy Club up to the time of publishing.

The Circus Committee appeals to Nobles who have not already filed returns on their tickets for this year to join the Daddy Club now by returning unused Membership coupons and a check to cover at least a part, if not all, of the returned tickets. By so doing, these Nobles will not only assist the Committee in promptly balancing the ticket account of this year's Circus, but also make up any difference between requests made for Daddy tickets this year and the supply available. Additional Daddy Lists will be printed in future Shrine notices.
